RE: Visit of PCFA & Small Group 17.11.2007

Dear Vernon & PCFA & Small Group,

It was a great success, wasn't it! We really want to say a huge thank you to you and everybody involved who fixed, mended, collected and just simply took the time to visit the children. It was great having you all there to meet the children.

All the donations will be of tremendous help and we praise the Lord for having given us favour with people who do have a heart for the abandoned and abused children.

We thank you sincerely for your direct personal part with us in this work through your act of faith, your personal contribution which is helping in such a concrete way to make a difference in those little lives. May the measure in which you have blessed these children be measured out to you.

Hope that we will meet some of you again at a future visit. May the Lord bless you all richly.

Best regards,

Ebenezer Village
