

**October 2010**

## **PCF Advisors Pty Ltd**

**1<sup>st</sup> Monte Vista Cubs** would like to say a **BIG THANK YOU**, to you, for supporting our **Community Service Project** with your donation towards our party, held on Saturday 16<sup>th</sup> October at the Monte Vista Scout & Cub Hall.

Originally, we only had the children of “Anthea Peters Safe House and Foster Care Home”, that were attending, but we found another home in need. The “Boucher Safe House and Foster Care Home” that joined us as well.

The party was a huge success, thanks to your contribution. The children were in awe.

Because of the homes being “Safe Houses” we are not allowed to distribute/publish photo’s for the protection of the children.

Many thanks once again from all of our Monte Vista Cub Scouts for your contribution that made it a very **SPECIAL DAY** for the children of these two homes.

**Yours in cubbing**
